

Dear Valued MWSC Customer:

Due to recent changes made by the Edwards Aquifer Authority (EAA) regarding their regulatory fee assessments, Maxwell WSC must increase the existing monthly EAA pass-through fee from \$1.20 to \$1.40 per account per monthly billing cycle to offset the increased cost of fees paid by MWSC to the EAA. This change will take effect on December 1st 2014 and will first be reflected on the MWSC January 2015 bill for December 2014 usage.
